

Brain Injury Services of Northern Ontario provides a variety of rehabilitation and support services to individuals living with the effects of an acquired brain injury. BISNO is currently recruiting for our Assisted Living Programs:

Rehabilitation Support Workers – Part time & Casual/Call-ins

RESPONSIBILITIES: Providing personal/attendant care which will include; (bathing, shaving, toileting, hygiene, feeding, etc.), medically prescribed supports, medication support, and equipment use/care, including working with individuals with responsive behaviours and building therapeutic rapport. You must be able to work independently and as part of a team as well as having excellent communication skills.

QUALIFICATIONS: Post secondary education related to Human Services field and/or equivalent experience. **Must have a valid 1st Aid/CPR certificate and current Criminal Reference Check/Vulnerable Persons.**

Students currently in human services programs are welcome to apply.

Interested applicants should forward a letter of intent identifying position applying for and resume to:

**Leslie Vass, CHRL
Human Resources Manager
BISNO
426 Balmoral Street, Thunder Bay, ON P7C 5G8
Email: leslie.vass@bisno.org**

BISNO welcomes and encourages applications from people with disabilities. Accommodations and/or French Language services are available on request for candidates taking part in all aspects of the selection process.

We appreciate all applications, however, only those selected for an interview will be contacted.
